Educational Data

03/1973 - 10/1973

studies of Economics at the Johann-Wolfgang-Goethe University Frankfurt

11/1973 - 03/1979

studies of Civil Engineering at the Technical University Darmstadt, degree: Engineering Diploma.

Professional Data

06/1979 - 01/1980

structural design work and supervision of construction works at the consulting engineering office G. Mühlshwein, Frankfurt

02/1980 - 07/1980

research assistant at the Technical University, Munich, department Prof. Bischofsberger

08/1980 - 03/1985

research assistant at the Ruhr University, Bochum department Prof. Möller

11/1984

Ph.D. thesis (Dr.-Ing.)

01/1985 - 03/1995

managing director of Sewage Equipment and Energy Utilization Co.Ltd. (GKE mbH) in Bochum and Gladbeck

seit 4/1994

appointment as professor and head of the Institute of Sanitary and Environment Engineering at the Technical University, Braunschweig

10/2006 – 09/2008

vice president for infrastructural questions at the TU Braunschweig

Languages

German

mother tongue

English

fluent

Spanish

basic knowledge

Prof. Dr.-Ing. Norbert Dichtl

Special Focus

- sludge treatment and reuse technology
- sludge disintegration and dewatering
- biogas production
- energy optimized wastewater technology

Memberships

- chairman of the DWA-Main Committee KEK "Sludge and Solid Waste"
- member of the DWA-Expert Committee KEK 8 "Biogas" consisting of 2 work groups at present
- chairman of the DWA-Expert Committee BIZ 6 "Higher Education"
- member of the DWA-Expert Committee BIZ 11 "International Cooperation"
- chairman of the DWA-Expert Committee BIZ 5 "Advanced sewage worker training"
- member of the German Standards Committee DIN NAW V 36 for wastewater engineering problems
- member of the advisory board for Sewage Sludge Compensation Funds (Klärschlamm-Entschädigungsfonds)
- member of the International Water Association (IWA)
- affiliate Member American Society of Civil Engineers (ASCE)
- member of Water Environment Federation (WEF)
